Maine students and families deserve a bright future. FAME can help.

Introduction: The Finance Authority of Maine (FAME) wants to encourage students and families to file the 2024-2025 FAFSA to open the doors to financial aid, greater opportunities, and the pathway to education after high school.

Whether a student's plan for this fall includes traditional college or university, Maine's tuition-free community college, trade school, certificate programs, *or if they still aren't sure*—filing the 2024-2025 FAFSA keeps their options open.

To help make that happen, FAME is opening up even more one-on-one FAFSA help sessions to support and assist students and families who haven't yet filed or who need help completing the 2024-2025 FAFSA. If you are a student (or the parent of a student who is) interested in attending some form of higher education in the 2024-2025 school year, book and attend an appointment by August 31, 2024, and you'll receive a \$25 Amazon gift card from FAME for participating in the session.

To Qualify: This opportunity is limited to Maine resident students and families who participate in a one-on-one virtual 2024-2025 FAFSA help session July 24–August 31, 2024. Amazon gift card incentive is limited to one per session.

For More Information: Please contact FAME's Education Team at 800-228-3734 (TTY: 207-626-2717) or Education@FAMEmaine.com.
